

To Whom it may concern,

BBT is proud to announce that we have been awarded the RFP for the Region 4 Connect Texas Program.

The TEA Connect Texas Program is specific to Texas K-12 Local Education Agencies (LEAs) and offers a fixed broadband internet solution to economically disadvantaged K-12 households in BBT's service area.

BBT will be in contact with you on steps moving forward with this program.

Sincerely,

Russell A. Moore
