WHEREAS, in order to be clear and consistent, the Jeff Davis County Commissioners Court hereby amend Part 2 of Ordinance #2020-02 to clarify the conditions of self-quarantine on April 2, 2020, and also clarifying intent for consistency with state and federal orders, by enacting the changes and amendments incorporated herein:

**NOW, THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT
OF JEFF DAVIS COUNTY, TEXAS:**

I. MANDATORY SHELTER IN PLACE.

- a. All individuals currently living within Jeff Davis County are ordered to shelter at their current place of residence.
- b. All businesses operating within Jeff Davis County, except Essential Businesses, are required to cease all activities at facilities.
- c. All public or private gatherings of any number of people occurring outside or inside a single household or living unit are prohibited, except as provided in the Order.
- d. A restaurant with or without drive-in or drive-through services; drive-in restaurant; drive-through restaurant; and microbrewery, micro-distillery, or winery may only provide take out, delivery, or drive-in or drive-through services as allowed by law.
- e. All elective medical, surgical, and dental procedures are prohibited anywhere in the Jeff Davis County. Hospitals, ambulatory surgery centers, dental offices, and other medical facilities are directed to identify procedures that are deemed "elective" by assessing which procedures can be postponed or cancelled based on patient risk considering the emergency need for redirection of resources to COVID-19 response.

II. REQUIREMENT TO SELF-QUARANTINE.

- a. Any individual, including any visitor(s), resident(s), or landowner(s) with a first or second residence in Jeff Davis County, is required to self-quarantine for at least fourteen (14) days if:
 1. returning to Jeff Davis County from another state or from an area, county, or city in Texas that has active COVID-19 cases; or
 2. if they have been exposed at any time during the preceding month to an individual who has contracted the COVID-19 virus.
- b. For purposes of this section, self-quarantine means the person's movement is restricted to their own residence. Self-quarantined individuals may not leave their residences to perform essential business or essential personal activities during the 14-day self-quarantine period. Food and supplies must be brought to a self-quarantined individual and left outside the gate or otherwise on the property (porch, driveway, etc.) to prevent direct contact between self-quarantined individuals and individuals not under self-quarantine.
- c. If one individual in a household is under self-quarantine, then the entire household must self-quarantine unless the self-quarantined individual is completely isolated (own bedroom and bathroom, food left outside the bedroom door) from other members of the household. If isolation is not possible within the home, then all

members of the household are subject to self-quarantine for the applicable 14-day period.

III. ESSENTIAL ACTIVITIES.

Individuals may leave their residence only to perform Essential Activities, such as:

- a. To engage in activities or perform tasks essential to their health and safety, or to the health and safety of their family or household members (for example, obtaining medical supplies or medication, visiting a health care professional, or obtaining supplies needed to work from home).
- b. To obtain necessary services or supplies for themselves and their family or household members, or to deliver those services or supplies to others (for example, food, pet supply, and any other household consumer products, and products necessary to maintain the safety, sanitation, and essential operation of residences).
- c. To engage in outdoor activity, provided the individuals comply with social distancing requirements of six feet (for example, walking [including walking pets], biking, hiking, running, hunting, and fishing).
- d. To perform work providing essential products and services at an Essential Business or to otherwise carry out activities specifically permitted in this Order.
- e. To care for a family member or pet in another household.

IV. ESSENTIAL SERVICES.

According to Governor Abbott's Executive Order dated March 31, 2020 (GA-14), "Essential services" shall consist of everything listed by the U.S. Department of Homeland Security in its Guidance on the Essential Critical Infrastructure Workforce, Version 2.0, plus religious services conducted in churches, congregations, and houses of worship. Other essential services may be added to this list with the approval of the Texas Division of Emergency Management (TDEM). TDEM shall maintain an online list of essential services, as specified in this executive order and in any approved additions. Requests for additions should be directed to TDEM at EssentialServices@tdem.texas.gov or by visiting www.tdem.texas.gov/essentialservices.

According to GA-14, “[in] providing or obtaining essential services, people and businesses should follow the Guidelines from the President and the CDC by practicing good hygiene, environmental cleanliness, and sanitation, implementing social distancing, and working from home if possible. In particular, all services should be provided through remote telework from home unless they are essential services that cannot be provided through remote telework.

“This executive order does not prohibit people from accessing essential services or engaging in essential daily activities, such as going to the grocery store or gas station, providing or obtaining other essential services, visiting parks, hunting or fishing, or engaging in physical activity like jogging or bicycling, so long as the necessary precautions are maintained to reduce the transmission of COVID-19 and to minimize in-person contact with people who are not in the same household.”

V. CHURCH AND WORSHIP SERVICES.

In accordance with Governor Abbott’s Executive Order GA-14, church and worship services are classified as an Essential Service. It is strongly recommended that services be held virtually to minimize the risk of spread of COVID-19. If religious services cannot be conducted from home or through remote services, then parishioners inside a church or place of worship are limited to ten (10) individuals per separate space. All parishioners shall practice Social Distancing before, during, and after worship services, as well as practicing good hygiene, environmental cleanliness, and sanitation, and by implementing social distancing to prevent the spread of COVID-19.

VI. OTHER APPLICABLE STATE OR FEDERAL ORDERS.

This Order is meant to be consistent with existing orders of the state and federal government and restrictions or allowances within same.

VII. DIRECTIVES TO IMPLEMENT THIS ORDER.

- a. Because the order specifically applies to all individuals currently living within Jeff Davis County, an individual must shelter in place unless an exemption applies. This includes all individuals who live within Jeff Davis County but work in another county.
- b. This Order does not require individuals to carry documentation as proof that they are employed by an essential business.

- c. This Order does not require Essential Businesses to take the temperature of employees that report to work.
- d. Nothing in this Order prevents a non-essential business from conducting business online or via Zoom.
- e. Essential services personnel shall, to the extent possible, implement Social Distancing as set out by the U.S. Centers for Disease Control and Prevention.

VIII. VIOLATIONS AND PENALTIES.

- a. In accordance with Texas Government Code §418.173, a person who knowingly or intentionally violates this Order commits an offense, punishable by a fine up to \$1,000.00 or confinement in jail for a term that does not exceed 180 days.

IX. CONFLICT IN TERMS.

To the extent possible, the provisions of Part I and Part 2 of this Order shall be harmonized. In the event of a conflict between provisions, Part 2 of this Order (Shelter in Place) shall control and supersede any conflicting provision in Part 1. To the extent that there is a conflict with the First Supplemental Declaration Continuing Local Disaster due to Public Health Emergency signed by Jeff Davis County Judge Kerith Sproul on April 3, 2020, the Emergency Declaration shall control during its 7-day effective period. To the extent that any provision in Order #2020-02 Part 1 or Part 2 is in conflict with GA-14, the stricter interpretation shall apply.

X. SEVERABILITY.

It is hereby declared to be the intention of the Jeff Davis County Commissioners Court that the phrases, sentences, paragraphs, and sections of this order are severable. If any part of this order shall be ruled unconstitutional by the valid judgment or decree of any court of competent jurisdiction, such unconstitutional phrase, sentence, paragraph, or section shall be severed from the order by operation of the judgment; however, this unconstitutionality shall not affect the remaining phrases, sentences, paragraphs, and sections, which shall remain in full force and effect.

XI. EFFECTIVE DATE AND DURATION.

This amended Part 2 of Order #2020-02 is effective immediately upon issuance, and shall continue through 11:59 p.m. on April 24, 2020 unless modified by official action of the Jeff Davis County Commissioners Court.

THIS FIRST AMENDED ORDER IS HEREBY APPROVED, ORDERED, AND ADOPTED by the Jeff Davis County Commissioners Court on this the 2nd day of April, 2020, by a vote of 4 Ayes and 0 Nays.
